

Our parish is now using **Flocknote** for sending email and text notifications to parishioners

If you were already receiving emails and texts from the parish via our former service (SchoolMessenger), you do NOT need to sign-up again with the new service.

**If you were *not* already signed-up, see the 'opt-in' instructions on the other side of this page.**

Soon, we will be setting up particular email and text 'groups' so that you can receive special messages from parish organizations that you are involved with (PCCW, Knights of Columbus, etc.) as well as notices regarding religious education opportunities at the parish, other 'areas of interest,' as well as parish-wide news & notices.

*You can select the 'groups' you want to receive messages from after establishing a LOGIN and PASSWORD. Simply go to [flocknote.com/login](https://flocknote.com/login), type in your email address or phone number, then click 'Reset or create a new password' below the blue 'Login' button.*

*After that, click the yellow 'Reset my password' button that comes up, and follow the prompts from there. They will send you a link to create your password, and you'll be off to the races from there!*

**If you have any trouble with the new service, or logging-in, etc., please contact the parish office.**

We  love  
having you as part of our Flock
